Unit Overview

In this unit, you will gain an understanding of the evolution and application of odour language, exploring its significance for perfumers and flavourists. You will learn about organoleptic strategies and classification schemes, and their critical role in fragrance and flavour creation. This unit provides you with the tools to understand and apply odour and taste language, including extended glossaries and key terms that are used across the sectors. Designed for global professionals, this unit equips you with essential skills for innovation and expertise in the industry.

UNIT 4:

ODOUR LANGUAGE, CLASSIFICATION SCHEMES AND THEIR HISTORY

What's included?

Unit Aims

By the end of the unit you will be able to:

- 🎯 Analyse the evolution and significance of odour language, including its impact on the roles of perfumers and flavourists
- 🎯 Evaluate organoleptic strategies and classification schemes, and understand their application in fragrance and flavour creation
- 🎯 Develop a comprehensive understanding of odour and taste language, including key terms and extended glossaries relevant to the industry

UNIT LEARNING OUTCOMES

Demonstrate an in-depth understanding of the historical development and current definitions of odour language and classification schemes

Critically assess the role of odour language in the work of perfumers and flavourists, applying this knowledge to real-world scenarios

Apply knowledge of organoleptic assessment and classification schemes to create informed and effective sensory strategies in fragrance and flavour design

Utilise classification schemes and odour language to evaluate and improve sensory profiles in fragrance and flavour development

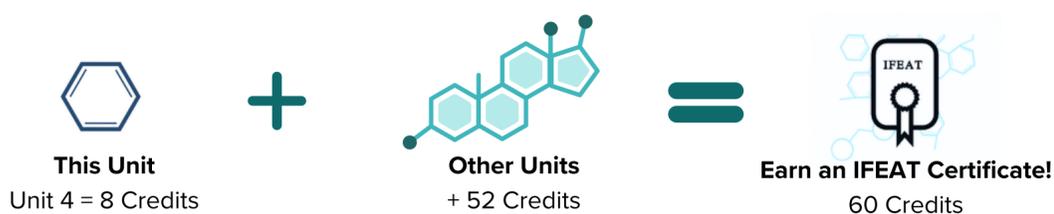

Develop professional skills in organising and articulating sensory data, enhancing communication and collaboration with industry peers globally

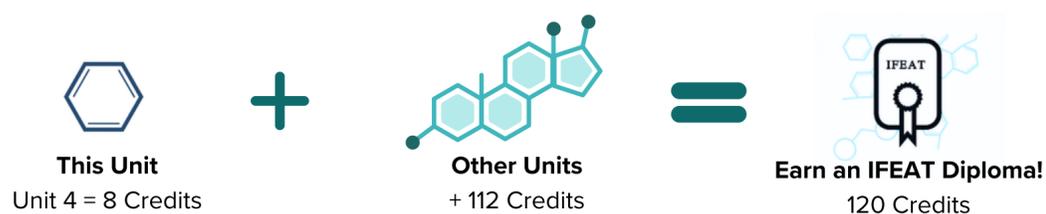

Analyse and synthesise complex sensory information from both historical and contemporary perspectives to innovate and refine industry practices

Combine units for an IFEAT Certificate

Combine units for an IFEAT Diploma
